

--Assistant Farm Manager in Lexington KY

We are looking for an Assistant Farm Manager that can start immediately. Excellent pay and health insurance provided.

We are looking for a person with at least 5 years of experience to help with all aspects of caring for thoroughbred mares and foals, stallions and yearlings. Must be able to drive a truck and trailer, have foaling experience and most importantly, a true compassion and love for horses.

The assistant manager will help oversee the daily operations of the farm, the employees and work daily assisting with vet work and farriers. This individual needs to be highly motivated, passionate about the details in caring for horses and able to communicate with clients and all service providers in a professional manner.

Please send resumes to dana@warhorseplace.com.
