

Chesapeake Farm is seeking an organized and self- motivated individual to join our maintenance team.

The ideal candidate will have a strong background in farm maintenance and mechanics, operating equipment and grounds maintenance (equine experience is a plus).

As the maintenance technician, you will support the farm manager and work alongside the farm staff while handling the general upkeep of the farm.

The primary roles include:

- General equipment maintenance
- Grounds/pasture maintenance
- General farm/equipment repairs
- Operate tractors/hay equipment

BENEFITS:

- Competitive pay based on experience
- Health benefits
- Bonus for Equine experience
