Build Your Cross Country Confidence:

This is the sixth year for this very successful clinic. We are offering 3-day and 2-day sessions with natural and man-made obstacles. Chris will help riders of all levels advance their skills in cross country and in the hunt field, from Starter Level (2') on up, as well as special opportunities for children who are just starting out. The clinic is designed in a progressive format so that skills build over the three days. Particular attention will be paid on developing confidence in both horse and rider as they improve balance, pace and jumping form. All groups are jumping groups.

Your registration must be accompanied by your check, LRWH waiver and copy of negative Coggins; withdrawals receive full refunds if your slot can be filled by someone on the waiting list. Group size will be 6-8 riders for each 1-1/2 hour session (Thurs/Fri/Sat 8:00 am - 3:30 pm). **Private lessons are available Wednesday only.**

You won't want to miss this opportunity to ride with a master horseman like Chris Ryan; his Irish humor is infectious and he will bring out the best in all participants.
