

Kismet Farm in Simpsonville, KY has an immediate opening for a caretaker.

Duties to include but not be limited to caring for a string of Saddlebred show horses, attending horse shows, standard daily chores (feeding, cleaning & bedding stalls, turnout etc.), helping with general farm upkeep and the possibility to teach lessons is available to the right candidate.

Competitive salary based on experience, paid vacation time after one year employment, group health insurance after 30 days employment, rent allowance, per diem at shows and a healthy working environment. We do not have onsite housing.

Saddlebred, Morgan or Arabian experience preferred but willing to teach someone with other horse backgrounds. Position open immediately.
