

Kentucky Horse Council's Dinner & Discussion Donation Levels

The Kentucky Horse Council (KHC) is a nonprofit organization dedicated to the protection and development of the Kentucky equine community through education and leadership. The Kentucky Horse Council provides educational opportunities; health and welfare programs; outreach and communication to equine enthusiasts; equine professional networking opportunities through the Dinner & Discussion series; and trail riding advocacy; among other endeavors.

The KHC Dinner & Discussion series provides an educational and social venue for equine professionals and horse enthusiasts from all breeds and disciplines to network, connect and learn. The thrice-yearly series provides the opportunity for attendees to share ideas, business strategies and knowledge; and to obtain up-to-date information on horse and farm management, as well as on issues affecting the equine industry. Past topics have included animal behavior; transportation safety, cost-effective horse keeping; natural disaster preparation and response, land conservation, feeding and care, and more.

The Kentucky Horse Council has nearly 10,000 followers across its social media platforms, as well as a mailing list of nearly that size; the website has a robust equine events calendar, scholarship opportunity page and employment board, which is often the first place job seekers turn for possible employment. In addition, the KHC hosts industry-specific events such as Livestock Investigative Training and the Large Animal Emergency Rescue Training.

Donations made to the Kentucky Horse Council (KHC) are tax-deductible and provide support for KHC programs and staff. Learn more at kentuckyhorse.org
