

EQUINE AMBULATORY ASSISTANT, ROOD AND RIDDLE

Immediate opening for an Equine Ambulatory Assistant. This is a daytime, mostly full-time position, with competitive benefits. There is a set start time for the day but the end time varies based on the veterinarian's schedule and time of year. Hours are mostly Monday through Friday with a few weekends a year required or Friday through Sunday. Assistant will primarily be assigned to one veterinarian and will travel to farms throughout Central Kentucky and assist with various procedures. Previous horse handling experience is required.
