

## **Equine Veterinary Assistant/Registered Technician**

John R. Cummins DVM LLC is currently seeking an experienced equine veterinary assistant or registered veterinary technician to join our team. We are searching for a highly motivated team player who loves providing the very best in care to our equine patients. Qualified candidates must be compassionate, reliable, ready to pitch in at a moment's notice and thrive in a fast paced environment.

### **Other Major Duties Include But Are Not Limited To:**

- Provide proper restraint and handling of horses.
- Feed, clean, water and groom horses.
- Assist in diagnostic imaging procedures
- Maintain accurate client/patient records.
- Administer medications to patients.
- Properly monitor patients, noticing and documenting any changes.
- Provide excellent customer service and appropriately address client concerns.

**Requirements:** At least 1 year experience of equine handling required. This is a very physical job and it involves being exposed to outdoor elements. Applicants must have the ability to lift 40+lbs as well as jog horses for extended periods of time. Registered technician preferred, but not required.

**Benefits:** Salary offered is dependent on experience and education.

Job type: Full-time

Pay: \$15 - \$20 per hour

Education: High school or equivalent (preferred)

License/certification: Veterinary Technician Certificate (preferred)

Work Location: On site at farm and ambulatory

This Company describes its culture as:

- Detail oriented – quality and precision focused
- Outcome oriented – results focused with strong performance culture
- People oriented – supportive and fairness focused
- Team oriented – cooperative and collaborative
