

Boarding and lesson facility in South Lexington looking for evening help! Could be part time or full time. Our most basic need is someone to throw hay and fill waters in the evenings beginning at 6:30 p.m.

This shift would only take an hour per evening! For full-time, would include working in a lesson barn, taking care of horses (feeding, blanketing, turn out, equine first aid) and helping students (kids and adults) get ready for lessons. Teaching and riding opportunities for someone with show experience in Dressage, Eventing, or Hunter/Jumpers. Please send resumes to Redmond.sarah83@gmail.com.
