

Experienced Horse Care Needed, Including Farm Manager; 2-3 positions available; ideal for couple

Nonesuch (Versailles/Lexington), KY

Seeking experienced equine professionals for a 54 acre private horse farm. Responsibilities include caring for retired and rescued horses, barn and farm oversight including stall cleaning, feeding & medication management, and turnout. Must be able to coordinate with veterinarians and farriers, maintain a clean barn and administer horse first-aid and medication. Rehab/special needs experience preferred. Farm maintenance such as mowing, weed-whacking, fence mending and equipment management preferred, but can train. Possible on-site housing provided if needed. Must be authorized to work in the USA, drug & smoke free. Background check. References required. Email resume or summary of qualifications and salary requirements to: lindasp62@msn.com
