

FARM HELP NEEDED AT ALESERIA FARM

Full & part time positions available, with the ability to provide a flexible schedule (within reason). Competitive pay.

Must haves: reliability, dependability, horse experience, transportation to and from work.

Job requires handling of Mares & Foals, Yearlings, Stallions, & in-between ages horses. Occasional handling of Cattle (we will teach you), and one very sweet mini Donkey.

Duties include, but are not limited to:

- Feeding AM and PM
- Cleaning stalls
- Turn in & turn out
- Throwing hay
- Putting hay & straw up, when delivered
- Cleaning & filling water tanks
- General farm maintenance
- Participating if and when we bail our own hay

It is NOT required you have experience with cattle, farm maintenance, or caring for & operating farm equipment. We can teach you. However, it IS required that you have a can do attitude are willing to learn how to do some, if not all of the above!

We are a friendly group of people who work as a team, so being a team player is also required!

If interested, please message to set up an interview! 😊
