

Top Thoroughbred farm looking for individual to join their team for the summer sales prep season. The position will be a 6 day per week program with one weekend day off. Previous experience handling yearlings is a plus, but not required. An individual who is a quick study and eager to learn would be a great fit. If you are interested or would like more information, contact Nathaniel at [nathanielfeerick@gmail.com](mailto:nathanielfeerick@gmail.com).
