

MARGAUX

F A R M

Margaux Farm is seeking a full-time **Foaling Attendant** for night watch in the Broodmare Division.

This position is from 11PM-7AM for 6 nights a week during the foaling season, with flexibility for the right candidate.

Job Requirements:

- Monitor pregnant broodmares and newborn foals, with the ability to recognize signs of labor or sickness
- Assist with foalings and provide neonatal care
- Haying, feeding, and watering horses inside at night
- Administer medications as needed
- Candidates must have prior equine experience, with foaling experience preferred, and dependable transportation

Benefits:

- Individual and Family Health Insurance provided after 2 months
- Company-provided Life Insurance after 6 months
- Eligible for Employer-matching 401K Plan after 1 year

Please send resumes and inquiries to: scarr@margauxfarm.com
