

Private, Well Respected Thoroughbred Farm Looking for Full-Time Help (Old Richmond Road)

We are looking for an employee who is looking to learn, work and be a part of a well respected Thoroughbred farm on Old Richmond Road. Experience is helpful, but not necessary. I am willing to put in the time and teach anyone who is willing to show up 5 days a week. We have an established, great crew in place but are looking to add an additional employee who wants to be part of a team-based, fun working environment that is safe, and female friendly. Smoking, drinking, and drug use will not be tolerated.
