

## **Lettleiki Icelandics - Internship/Job Opportunities**

- **Full-Time Assistant Trainer/Exercise Rider**
- **2-3 Month Internships with a focus on Training or Management**

We are Lettleiki Icelandics, the largest Icelandic horse facility in North America, located in Shelbyville, Kentucky. Our farm is 105 acres and we have anywhere from 60-80 horses on the property at a time. We are a multi-faceted facility offering boarding, training, sales, breeding, teaching, competitions and clinics. Our team is more like a family, we have watch parties for things like the Icelandic World Championships, play croquet on the occasional Sunday, have team barbecues and pool parties, and genuinely have fun together.

Our philosophy is that the horses ALWAYS come first in all aspects of our business from management care to riding and training. How an individual handles our horses is the most important thing to us!

### **Full-Time Assistant Trainer/Exercise Rider -**

We are growing and need more help! We have an Internationally recognized Consulting Trainer, experienced Lead Trainer and Associate Trainer. Check out our website below to learn about our team! We are looking for an Assistant Trainer/Exercise Rider to join our team full-time. This person ideally will be capable of walk, trot and cantering a horse in an arena, outside and on trails, and most importantly will be willing to adapt and learn how to ride Icelandics. We will provide education on what makes Icelandic horses special and how to train/ride them. We provide regular lessons for our staff, and possible showing opportunities.

Competitive wages!

No housing offered - individual must be willing to procure their own housing, plenty of great rental options in the surrounding areas!

Job expectations include:

- Riding horses in an arena, outdoors and on trails under supervision or direction of existing trainers.
- Lunging horses in a round pen/on a line
- Tacking/Untacking their own rides and possibly assisting with tacking for other trainers
- Someone comfortable with progressive horse welfare focused training methods.

### **2-3 Month Internships - Offered Year-Round Starting June 1, 2023**

We have great internship opportunities for those interested in learning more about what it's like to work in equine management or horse training. There is an option to do some product sales/marketing work in addition to either of these focused areas as well. Our internship opportunities can be a specific focus of any of these areas or a mix of them. This would be a 5 day/week Monday - Sunday internship for the duration, housing is provided on-site in a lovely historic home shared with other staff and/or guests as we have people visiting for lessons and clinics regularly.

#### **Management Internship Duties -**

- Assist feeding Hay, Grain and Supplements 3x/Day
- Moving horses to/from turnouts
- Daily health checks and minor medical care
- Regular barn chores (i.e. sweeping, laundry, keeping common areas tidy, etc.)
- Additionally other various tasks as needed
- NO MUCKING REQUIRED!

#### **Training Internship Duties -**

- Grooming/tacking horses for the trainers
- Lunging
- Bathing/clipping horses as needed

- Riding horses under supervision of trainers depending on riding skill level
- Regular barn chores (i.e. tack cleaning, sweeping, laundry, keeping common areas tidy, etc.)
- Additionally other various tasks as needed
- Someone comfortable with progressive horse welfare focused training methods.

Product Sales/Marketing Internship Duties -

- Upkeep Inventory List of Products (we are reps for Eques.dk)
- Assist in product photography
- Assist in creating content for our website and social media
