

Part time horse farm work. Our farm is in north Fayette county. We have 18 horses that include two young horses, several upper level eventers and prospects, dressage and retired horses. It's our private farm - no boarders so it's usually quiet and you must be able to work alone.

Work includes bringing horses in and out, grooming, stall cleaning, barn cleaning/chores, and occasional feeding. Please send a brief description of your experience and references we can check.

Must be reliable and able to move quickly and have horse experience.

Hours available- Saturday afternoon from 4 to 6pm and Sundays from 7:30 to 11:30 am. Other hours may be available and can be flexible.
