Lexington Equine Medical Group is seeking to fill one part-time Seasonal Equine Veterinary Assistant position.

Responsibilities will include traveling to various farms throughout the Lexington area and assisting the veterinarian with a variety of procedures that include breeding management, foal medicine, lameness examinations, radiography and emergency calls. Assistants are also responsible for restocking the vehicle at the end of each shift, accurately recording billing procedures (no billing software knowledge needed) and maintaining a clean work environment.

Qualifications: Equine experience is required; excellent organizational skills, desire to learn and a valid driver's license

Job Type: Seasonal, February through July

Available Position: Part-Time: Saturday, Sunday and one day during the week

Competitive compensation: Hourly, plus overtime

Please submit all resumes and inquiries to [dburton@lexingtonequinemedical.com](mailto:dburton@lexingtonequinemedical.com)
