

Small Farm Seeking Permanent Part-Time Help

We are looking for part time help (mornings) operating a small hobby/retirement ranch between Lexington and Winchester. Well-behaved horses, mix of retired mares, one super sweet stud, and a few youngsters. We're looking for a long-term part time, reliable, all-around ranch hand for competitive pay.

Duties would include:

- Stall cleaning and feeding once a day
- Blowing/sweeping/de-webbing barn
- Cleaning water buckets/tubs
- Fence repair as needed
- Occasional horse turnout, grooming
- Weed eating, (seasonally)
- Tractor work/manure spreading
- Lifting/moving hay bales and concentrate bags.

This is a quiet, family operation, and we're hoping to find someone who can fit in well, self-direct, keep busy, and help maintain a tidy property with happy, healthy horses.

Please contact Cindy Morgan: cmorganarabians@gmail.com or (916) 591-5575.

We will be asking for references, thank you!
