

Temporary Position for Keeneland September Sale

Equine Analysis Systems is a Thoroughbred management consultancy that utilizes equine physiology and conformation analysis for thoroughbred selection. We are in need of individuals to photograph yearlings at the sale according to company standards and protocols. Training will be provided, but some photography experience is preferred.

Details:

- 4-5 paid (\$10/hour) training sessions prior to the sale
- Sale Dates needed September 5 (Friday) – September 16 (Monday)
*Candidate may be available for some or all of dates needed
- Hours 8:00 am – 4:30 pm
- Equipment will be provided
- Compensation is a \$150 day rate at the sale

Requirements:

- Horse experience, preferably in the Thoroughbred industry
- Reliable transportation
- General computer literacy
- Professional demeanor and ability to work independently
