

Multiple graded stakes winning trainer with approximately 15-20 horses located at Keeneland Race Course looking to hire full-time or part-time hotwalkers and grooms.

No racehorse experience needed, general horse experience a bonus but not required. We are willing to teach from the ground up. Must speak English. Applicant must be reliable, attentive to detail, willing to work in all weather inside a shedrow barn and not afraid to be tired after a days work. Applicant must also be legal to work in the United States and be in good standing with the KHRC and surrounding states if currently holding or previously held a license.

The job is fast paced, early mornings and hard work. However, we are always out in time for lunch and a good nap. Drugs and excessive drinking or being intoxicated on the job will not be permitted, and we will terminate on the spot. Must have reliable transportation if commuting to work, dorm rooms at the Keeneland Lodge POSSIBLY available for the right candidates with no transportation/ current housing. All of the above requirements are non-negotiable.

We are not looking for exercise riders at this time and we do not train riders on the race track. Applicants who will work 1-2 days then never come back or call out sick because you are tired need not apply.

Pay and schedule will be discussed in person with trainer at the time of interview or working interview. No benefits offered through trainer, however health, dental and vision assistance is available through the track for qualified candidates.
