

ISO: equine technician for a small sports medicine practice based in Lexington KY. Extensive travel required (3 months in FL for the winter show circuit, plus shorter trips throughout the summer). Equine experience a must, no current medical knowledge needed.

Must be able to jog and handle horses competently

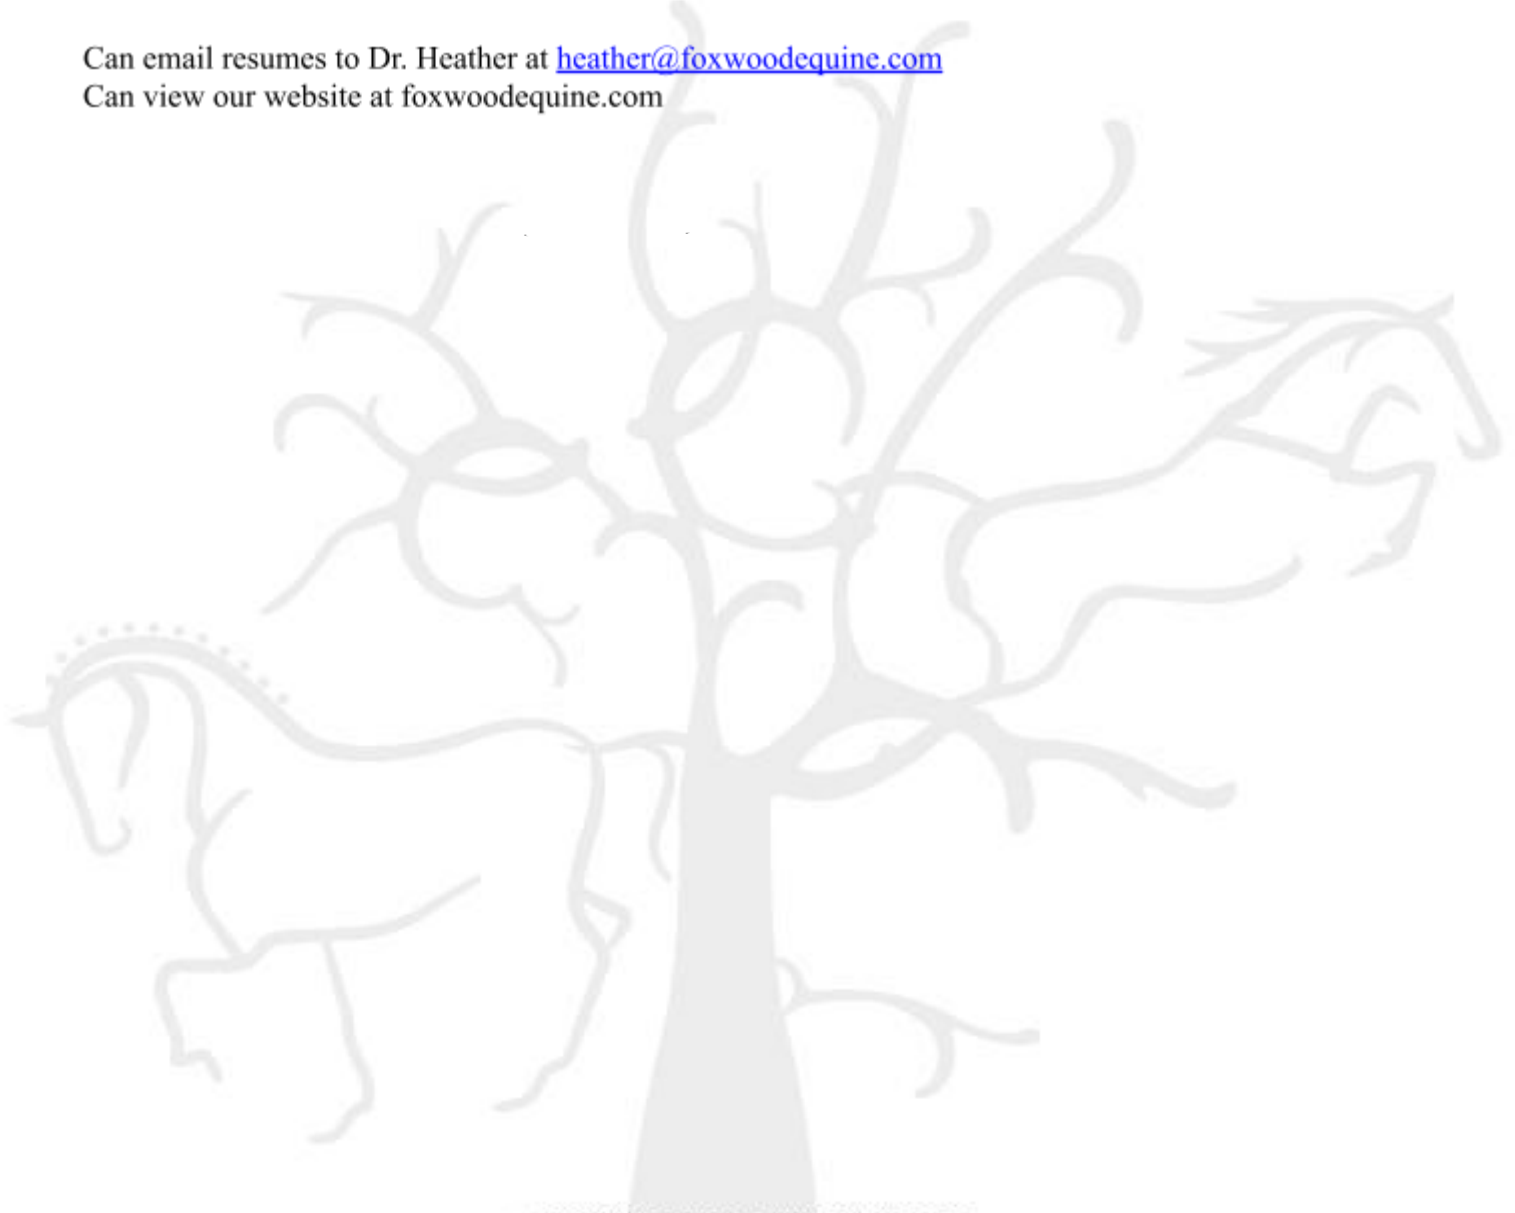

Carry equipment that is 30-40 pounds

Be comfortable on your feet for most of the day.

Pay based on current experience-guaranteed 30 hours a week, time and a half offered for any overtime. Mileage reimbursed for travel, housing provided for locations other than Lexington, benefits included.

Can email resumes to Dr. Heather at heather@foxwoodequine.com
