

Do you have a passion for woodworking? Do you enjoy being a part of the equine industry? If so, we have just the job for you!

Did you know that Briar Hill Equestrian Center in Lexington designs, builds, and sells quality horse jumps?

At Briar Hill Equestrian Center in Lexington, we specialize in designing, building, and selling quality horse jumps. As our business grows, we are seeking additional team members who can independently provide top-notch work to our customers. We value a diverse range of woodworking skills, including the ability to create both simple and complex horse jump designs.

The ideal candidate should possess knowledge of various equine disciplines and horse jump designs. Our construction takes place at our exceptional equestrian facility in Lexington, KY, making it essential that you are experienced around horses.

If you are interested in this position, please send your resume and a small portfolio to Kaisee.winters@briarhillstables.com
